

Send a Happy Gram to someone special!

Parents and family members can send them to the children and the kids can send them to friends and family! Happy Grams are available as a packaged juice pouch or a chocolate candy with a special To/From card attached. Each Happy Gram costs \$1 and you can order as many as you like.

The Candy Grams will be addressed to the children and delivered to them in their classrooms on Valentines Day (Friday, February 14th) We have a sizeable amount of happy grams available, but they will be sold on a first come, first serve basis, so get your orders in early. We do sell out.

Return the completed form and money to your child's teacher. Forms returned after February 12th may not have time to be processed.
