Scale needed

Motioned and approved, pending Dr Hollans approval

Jog-a-thon was tabled and replaced with The Big Change Challenge in January. The Big Change Challenge is a variation on Penny Wars so it will replace that, as well.

FEBRUARY:

Valentine Candy Grams

APRIL:

See Committee Reports (Carnival baskets)

OTHER PENDING FUNDRAISERS:

Duck toss - Ms Kim had the idea of switching the venue of this fundraiser from the highschool bball games to the park board elementary bball games with a more age appropriate audience.

Julie will contact Krystal Hughes of the FG Park Board and ask if PTO can set up these two fundraisers at Saturday Basketball games.

The idea was to have 1-2 duck tosses per Saturday so that one volunteer would not have to spend a whole Saturday at the games.

Mary will look in the PTO shed to see if there is anything we can throw (ie ducks). It was also pointed out that Holley's mom might have rubber ducks from previous carnival games.

Follow up with duck pond materials, organization, and assigning a chairperson if it gets approved by the park board.

Water Bottles -will be sold at the park board bball games, if approved by FGPB. We purchased water bottles for under \$2, looking to sell them for \$5.

Ceiling tiles-no discussion at this time

Online Apparel Order delivery (passing out to students before break!)

We will need school approved volunteers for all of the things happening in December.

Volunteer needed for December 15th (for Ms. Tiffany) - Shawn volunteered for this event.

Committee Reports:

Carnival (Mary) - Mary has been brainstorming ideas to replace carnival in the event it gets cancelled due to COVID.

One idea that needs to be discussed in more detail is: "Deal or No Deal or Auctioning off Carnival Baskets" via Facebook - each class or grade level would ask for donations in creating a basket to be auctioned off during a virtual FB auction.

Next Meeting

Feb 9th 6:30, No meeting in Jan
